Prepare a Strategic Action Plan (SAP) for Fisheries and Aquaculture to Implement the Fisheries and Aquaculture Policy for Saint Vincent and the Grenadines

SVGUBEC-C-IC-20

The Government of Saint Vincent and the Grenadines has received financing from the World Bank toward the cost of the Unleashing the Blue Economy of the Caribbean (UBEC) Project, and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include the preparation of a Draft Fisheries and Aquaculture Strategic Action Plan (SAP) to implement priority activities in the Fisheries and Aquaculture Policy for Saint Vincent and the Grenadines in a pragmatic and phased manner. To further expound there will be several assignments such as: reviewing the UBEC Project documentation (Components 1, 2) to identify areas under each component of the project relevant to this assignment. Consulting extensively with stakeholders nationally and regionally to develop a clear understanding of common fisheries and aquaculture priorities for SVG and OECS. The consultant will also work in close collaboration with the SVG Fisheries Services and other relevant parties, carry out a fisheries legislation and regulatory review and gap analysis to identify priority gap filling actions associated with SVG fisheries priorities as identified in the UBEC project documentation inter alia. The consultant will be engaged within 12 calendar months of commencement of work.

The detailed Terms of Reference (TOR) for the assignment *can be found at the following website:* <https://procurement.gov.vc/eprocure/index.php/current-bids>
